

VBC GEARLUBE BHG- 460V

EP type of industrial gear oil

Description

BHG-460V oil is mineral oil based on EP type high performance gear oil

Benefits

1. High load carrying capacity and extreme pressor lubrication
2. Low pour point, Good water separability and foam characteristic.
3. Good oxidation stability and multi-metal compatibility.

Typical properties

Test items	Results	Test method
Appearance, conc	yellow	VISUAL
Specific gravity, 15/4°C	0.9	ASTM D 1298
Kin. viscosity, 40°C, cSt	460	ASTM D 445
Flash point, COC, °C, Min.	246	ASTM D 92
Pour point, °C, Max.	-15	ASTM D 97
Copper corrosion	1B	ASTM D 130

*The test results are typical properties of fresh oil, can be changed by quality improvement.

Application

Where EP type of high performance industrial gear oil is need

Term of validity

12 months from the date of manufacture at sealed state, 0 to 40°C.

Safety

Refer to the our MSDS for safety information

The information contained and the recommendations made in this data sheet are based upon data collected and believed by us to be correct. However, no guarantee or warranty of any kind, expressed or implied, is made herein with respect to the merchandise described and we assume no responsibility for the results or the use there of.
